## WHAT WE'LL BE DOING

The United Methodist-related and church-supported Lydia Patterson Institute invites us to join them in maintaining their campus and completing some new building projects. Our goal is to come alongside what they are already doing and to be useful--however that may look. This could include cleaning, painting, and light construction.

No prior mission trip experience is required, and no foreign language skills needed, but we'll be glad to have some Spanish-speakers with us!

Students in grades 7-12 who are active in AHUMC Youth may join us on this trip. The overall cost is \$200-\$250 with a \$50 non-refundable deposit due at registration.

## MISSION TRIP LEADERS

This year's AHUMC Youth Mission Trip will be led by the following adult leaders:

We're so excited for what God will do in and through this team as we join this work at Lydia Patterson Institute!
