INVESTING IN GOD'S FUTURE HARVEST TODAY

WELCOME ALL PEOPLE

As disciples of Christ committed to loving our community and neighbors, we continue to reinvent how we serve our brothers and sisters around San Antonio and reach beyond the church's walls. From Sunday morning worship to expressions of community throughout our weekly groups, our doors are truly open to all.

We creatively connect families and kids to the church and build meaningful relationships through events like Family Movie Nights, Vacation Bible School, and Harvest Festival. Over 75% of participants in these events are people who do not regularly attend the church, creating an opportunity for us to welcome all to participate and invite the community to know us better. Our goal is for each person to know that they are uniquely and wonderfully made, loved by God, and have a place where they belong.

BUILD COMMUNITY

We actively encourage connection and the nurturing of relationships within the church. Our Community Connection hour on Sunday mornings allows a time to connect with our neighbors, pastors, and staff. Our Family Table events allows families of all ages to come together and share a meal. The Hospitality Ministry reaches out to visitors and newcomers to ensure that all feel welcome and that our community grows. Sunday schools, courses, youth events, and children's activities bring us together while we share our life stories and faith journeys. Because of this, we continually affirm each person's identity as a beloved child of God.

SHARE GOD'S LOVE

We glorify God with people both in-person and online. Communal worship shows the world that we stand firmly on the foundation of Jesus Christ. We continue to innovate and grow the ways we share God's love. Our live-stream services reach over 45,000 views yearly, even with in-person worship options. Our children and youth ministry programs continue to innovate new ways to celebrate Christ and do life together. We share God through courses, social media, meeting people where they are, and a vibrant prayer ministry that actively cares for the community. We do this comprehensively by offering care, hospitality, grace, and a place to ask hard questions about faith.

SERVE THE WORLD

We continue to build upon a holistic mission ministry focused on the mind, body, and soul. We host support and recovery groups and partner with counselors. To address physical needs, we offer health and wellness education provided by our Wesley Nurse. We provide weekly lunches to seniors, distribute food and clothing through pantries, and provide utility assistance through our Hope Center. We strive to fill the soul through our Prayer Ministry's efforts. We actively support our mission partners in meeting community needs through outreach initiatives. We hope that every family in our church participates in at least one service opportunity for the benefit of others. No one can do this life alone. We are better together.
