November 20, 2025

Dear Friends,

Last Sunday, members gathered for a special church conference and voted unanimously to launch the *Grow Together* campaign to enhance our campus as part of our calling to be a Christian community of love, hope, and belonging for all.

Having celebrated our 30th anniversary at this campus last year, we now face the need for innovations and improvements that will ensure our ability to serve and share God's love with a modern and diverse community. Existing barriers, such as narrow doorways, limited access points, and the lack of modern safety features, compromise our ability to truly welcome all people. By evolving, we will provide spaces to nurture faith, build community, and inspire future generations.

We live in one of the fastest-growing cities in the U.S. This growth invites us to revitalize our campus to support new members and foster community engagement. Whether through worship services, programs and initiatives, or community events, our wonderful campus provides an important first impression, reflects our commitment to hospitality, and allows us to make a difference in the lives of so many people.

We are grateful for all who have dedicated time, energy, prayer, and listening over the last year to discern the needs and proposed solutions for this campaign. Almost 80 AHUMC households—which contribute roughly 60% of our annual ministry funding—have completed the churchwide *Grow Together* survey. Your input has been and continues to be invaluable. The survey remains open for anyone who would like to participate. You can visit ahumc.org/grow for more information or to take the survey.

Throughout the history of AHUMC, our most life-giving times have been the result of stepping forward boldly in faith and connection to others. We were founded to be an instrument of divine love and grace, and that calling persists. *Grow Together* is the next chapter of that legacy. Together, we will:

-  **Expand** programs for children and youth
-  **Launch** robust young adult and family ministries
-  **Create** accessible spaces for everyone
-  **Provide** resources and space for support and recovery
-  **Equip** Mission Central and our Wesley Nurse to provide aid

Your support of *Grow Together* will allow our church to continue stepping forward boldly in faith, and our campus to embrace transformation in our ongoing commitment to serving others. I hope you will continue to pray and partner with us as we take our next steps together. I give thanks and am blessed to be on this journey with you.

Grace and peace,

REV. JASON ADAMS
Senior Pastor

Welcome All People. Build Community. Share God's Love. Serve the World.
